In the Hadley tradition, both cards will carry the greeting, “Wishing you peace, happiness and the spirit of the season” in print and in braille.

The back cover of both cards displays the mission statement of The Hadley School for the Blind and lets recipients know that the holiday card is a project of Hadley’s Woman’s Board and directly benefits the School.

Use this form to order our custom cards with greetings in print and braille, or visit us in the School’s lobby and select from over 1,000 cards in our commercial sample books.
